For good and lawful consideration the receipt of which is hereby acknowledged, the Contractor agrees and acknowledges that the following additional contract terms are hereby added to the above-referenced Contract. The terms set forth below will hereafter have full force and effect as if set forth in the Contract in their entirety.

Living Wage Ordinance

- A. Section 2-92-610 of the Municipal Code of Chicago provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers, and clerical workers ("Covered Employees"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated thereunder:
- 1 if the Contractor has 25 or more full-time employees, and
 - 2 if at any time during the performance of the contract the Contractor and/or any subcontractor or any other entity that provides any portion of the Services (collectively "Performing Parties") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then
 - 3 The Contractor must pay its Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "Base Wage") for all work performed pursuant to the Contract.
- B The Contractor's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the Contract term when the conditions set forth in A.1 and A.2 above are met, and will continue thereafter until the end of the Contract term

- C. Prior to January 1, 2003, the Base Wage is \$7.60 per hour, beginning January 1, 2003, the Base Wage is \$9.05 per hour. As of July 1, 2003, and each July 1 thereafter, the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Contract, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for work or services done under this Contract, and the prevailing wages for Covered Employees are higher than the Base Wage, then the Contractor must pay the prevailing wage rates.
- D. The Contractor must include provisions in all subcontracts requiring its subcontractors to pay the Base Wage to Covered Employees. The Contractor agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by the Contractor or by a subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit the Contractor and/or subcontractors to verify compliance herewith. Failure to comply with the requirements of this Section will be an event of default under this Contract, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to three (3) years.
- E. Not-for-Profit Corporations: If the Contractor is a corporation having Federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of Section A through D above do not apply.

PART VI. CERTIFICATION REGARDING COURT-ORDERED CHILD SUPPORT COMPLIANCE

For purposes of this PART VI, "Substantial Owner" means any person who owns or holds a 10% or more percentage of interest in the Contractor. If the Contractor is an individual or sole proprietorship, the substantial owner is the individual or sole proprietor. Percentage of interest includes direct, indirect and beneficial interests in the Contractor. An indirect or beneficial interest is an interest in the Contractor held either by a corporation, joint venture, trust, partnership, estate or other legal entity in which the individual holds an interest, or by agent(s) or nominee(s) on behalf of an individual or entity. For example, if Corporation B holds or owns a 20% interest in the Contractor, and an individual has a 50% interest in Corporation B, then such individual indirectly has a 10% interest in the Contractor and the individual is a Substantial Owner of the Contractor. If Corporation B is held by another entity, then this analysis must be applied to that entity.

If Contractor's response below is #1 or #2, then all of the Contractor's Substantial Owners must remain in compliance with any such child support obligations (A) throughout the term of the Contract and any extensions thereof, or (B) until the performance of the Contract is completed, whichever is later. Failure of Contractor's Substantial Owners to remain in compliance with their child support obligations in the manner set forth in either (A) or (B) constitutes an event of default.

Check one

- 1 X No Substantial Owner has been declared in arrearage on any child support obligations by the Circuit Court of Cook County or by another Illinois court of competent jurisdiction
- 2 The Circuit Court of Cook County or another Illinois court of competent jurisdiction has issued an order declaring one or more Substantial Owners in arrearage on child support obligations. All such Substantial Owners, however, have entered into court-approved agreements for the payment of all such child support owed, and all such Substantial Owners are in compliance with such agreements.
- 3 The Circuit Court of Cook County or another Illinois court of competent jurisdiction has issued an order declaring one or more Substantial Owners in arrearage on child support obligations and (1) at least one such Substantial Owner has not entered into a court-approved agreement for the payment of all such child support owed, or (2) at least one such Substantial Owner is not in compliance with a court-approved agreement for the payment of all such child support owed; or both (1) and (2)
- 4 There are no Substantial Owners.

4 How many of bidder/proposer's current employees work at City of Chicago locations? 15

5 Is bidder/proposer subject to City of Chicago taxes (including the Head Tax)?

PART VIII. INCORPORATION INTO CONTRACT, COMPLIANCE, AND PENALTIES

Furthermore, the bidder/proposer shall comply with these certifications during the term and/or performance of the Contract or other action.
- B. - C. Contractor will terminate its subcontract with any subcontractor, if the City so demands, if the City determines that any information provided by a subcontractor in any of the subcontractor certifications required by this Affidavit is false, incomplete, or inaccurate. Contractor shall insert adequate provisions in all subcontracts to allow it to terminate subcontracts as required by this paragraph.

- D. The following civil and criminal penalties, among others, may apply:
